Bracken Co. Farm Bureau celebrates "Ag Day" at Augusta Independent

On March 20, 2018, Bracken County Farm Bureau Women's Committee Chair, Louise Moneyhon, visited the 4th grade classroom of Alison Bach at the Augusta Independent School to celebrate the 45th National Ag Day. The students were greeted with an explanation of the operations and functions of the Farm Bureau Organization and of the Women's programs and activities with the help of a "Freddie Farm Bureau" bobblehead.

The purpose of this visit was the reading and the presentation of the Ag Book, "The Most Wonderful Dream" by artist and author, Mitchell Tolle, who was born and raised in Vanceburg, Lewis County. Kentucky Farm Bureau commissioned Mr. Tolle to create a book to excite and to inspire children to think about the noble work of Kentucky farmers. He takes us on a farm in Kentucky where a couple of very bright children, Billy and Addy, contemplate the world through innocent eyes. (Isaiah 11:6 – "A Little Child Shall Lead Them"). This is Kentucky Farm Bureau's first ever accurate Ag book. From Mark Haney, President, Kentucky Farm Bureau, "Of all the artists who could paint the picture of Kentucky agriculture, Mitchell Tolle is among the best." And from David S. Beck, Executive Vice President, Kentucky Farm Bureau, "Mitchell Tolle has created a work of art to be treasured for generations." Of special interest to these students were the accurate statistics of Kentucky's commodities mentioned: apples, beef, soybeans, corn, wheat, dairy and poultry. Also mentioned was "The Ferry at Valley View", located between Richmond and Nicholasville which crosses the Kentucky River. The students spoke of their appreciation of our own, "Ole Augusta Ferry – The Jenny Ann" and learned of the other three surviving ferries in Kentucky. Activities of Agriculture Where I Live, a data of ag in Bracken County as well as Linking Farm To Table were enjoyed. Also discussed was the Food Check-Out Program/ Event that emphasizes that the United States produces the most affordable food in the world.

Row 2: Harley Wilson, Lane Harding, Jaylen Brooks, Nora Gill, Makayla Woodruff, Christopher Wachter, Trent Potts, Peyton Dwenger, Emily Hiles, and Mrs. Louise Moneyhon. Row 3: Mrs. Alison Bach, Irvin Velasquez, Kyler Burton, Keith Borgmann, Brookelynn Peed, Spencer Plummer, and Jameson Quinlin.

Presently, Mr. Tolle and his wife, Linda, live on a small farm in Central Kentucky. When asked of his personal statement of this Ag book, he stated, "It revels my heart as Kentucky is a place of dreams and of beauty".

Mrs. Moneyhon also spoke to the class of their wonderful "Helping Hands", blessing box project. She commended each of them for their commitment to this hands-on, life-learning experience, and presented them donated items from the Women's Committee.

Each of the students were given an educational bag containing materials and promotional items compliments of Bracken County Farm Bureau, Kentucky Farm Bureau, American Farm Bureau Federations For Agriculture, Kentucky Department of Agriculture, U. S. Apple Association, Kentucky Beef Association, Kentucky Corn Grower's Association, The Dairy Alliance, Kentucky Forage & Grassland Council, Kentucky Horse Council, Inc. and The Kentucky Poultry Federation.

Much appreciation to Mrs. Bach and her students for participating in this presentation of Kentucky agriculture and the importance of the farmer for his labor of his blessed land.

Quote: By George Washington "Agriculture is the most healthful, most useful, and most noble employment of man."

Choir practice is Thursday night, March 29, 7 p.m.

Good Friday service at 6:30 p.m. finds our choir presenting their musical "Champion of Love".

Oakland will join with Neave Methodist for a Sunrise service at 7 a.m. at Neave.

Our morning worship services will be as usual, 8:30, 9:30 (Sunday School), and 10:30 a.m. Evening worship will be dismissed.

WILLOW BAPTIST
by Vanessa Ferrell

Even though the last gasp of winter sent snow on Saturday, we still held the Easter egg hunt, hiding the eggs all around inside the church. Appreciation to all the children who attended and enjoyed this event!

Because of the icy parking lot, services on Sunday were cancelled, so we will be singing our special music this Sunday for the Easter Service. Please plan to attend, if you do not have a church home. Sunday School groups for all ages will meet at 10:00, our worship service begins at 11:00. Wednesday night at 6:30 will be an adult study of the book "Autopsy of a Dead Church" and youth activities.

Friday, Mar. 30 at 6:00 we will be showing the film "Passion of the Christ". Because this is an intense film for young children, children's activities will be provided downstairs. Everyone is invited.

Easter is the event that fulfilled God's promises to man. Bible scholars estimate that the Bible has over 300 prophecies of the life, mission and sacrifice of Jesus, all completed when Jesus died and rose again. Because of this, Christians can be confident that the God who died for us also has a place for us in heaven, and that we will be there with Him.

NEW LIFE FELLOWSHIP
by Beverly Whittaker

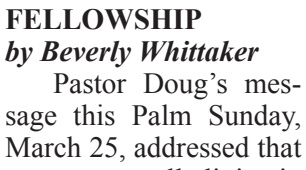
Pastor Doug's message this Palm Sunday, March 25, addressed that we are not really living in the best place. Through Jesus dying for our sins and resurrecting, we have the promise of living eternally. (I Corinthians 2:9).

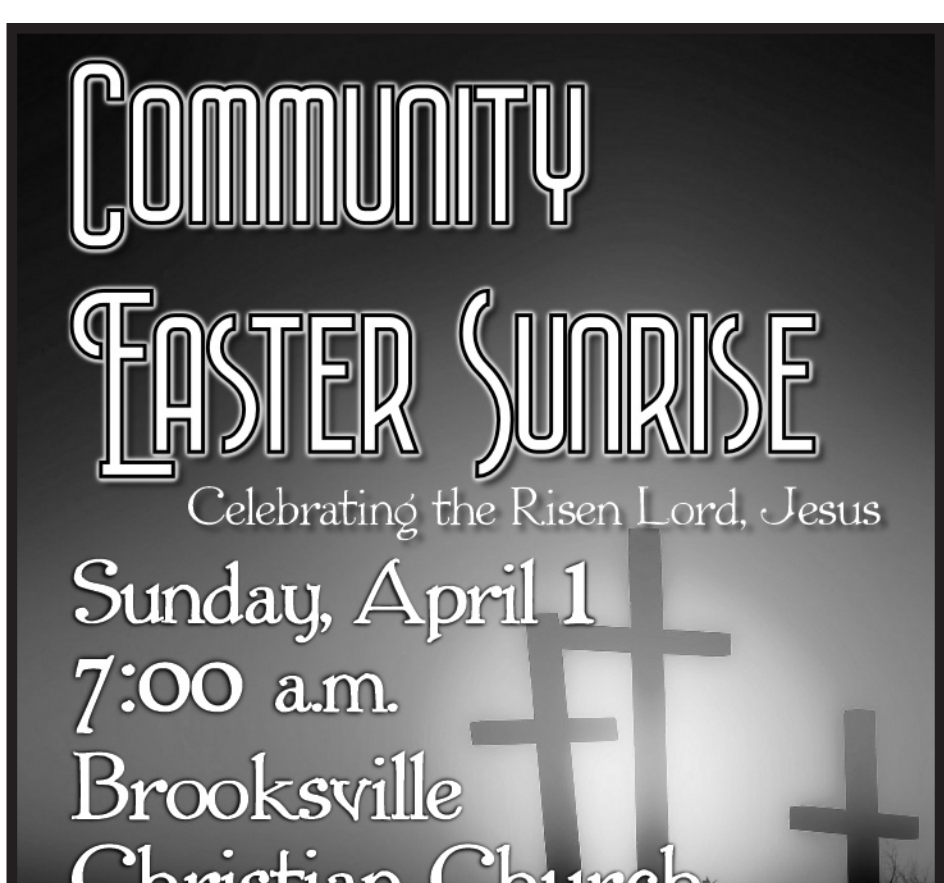
We invite you to our Wednesday evening meal at 6 p.m. and prayer service at 6:30.

Celebrate Recovery is held on Thursday nights beginning at 6 p.m. for those coping with addictions, depression, anxiety and other hang-ups and their families. Childcare and light refreshments are provided.

We will not be having Sunday School classes on Easter, April 1st. We will be having an Easter breakfast at 9:30 a.m. and our special Easter services will be at 10:30 a.m. There will be special music and message and the kids will be having their annual New Life Egg Hunt. We will be ministering to those at the Bracken Center at 3 p.m. Come and celebrate the risen Lord!

New Life Fellowship is located at the intersection of 875 and the AA Hwy. on the left in Bracken County. Remember God loves you and so do we!





GREETINGS FROM ST. JAMES

You are invited to participate in the 8 a.m. Easter Sunday Mass at St. James, the 10 a.m. Mass at St. Augustine or to any one of the churches in Bracken County! PRESBYTERIAN POTPOURRI
by Les Grooms, pastor Augusta Presbyterian

We are planning to show the movie "The Shack" on Friday night March 30 at 7:30 p.m. in the Presbyterian sanctuary. There is no charge for admission and no offering will be taken. Come and join us. I understand that there will be popcorn available.

The last Lenten service is this Wednesday at the Christian Church. Offerings from these services and other gifts though the year support the Augusta Ministerial Food Bank. Thanks for being so generous.

A special song was sung by Deborah Habermehl as the prelude. As the song was being sung, the members of the congregation were given a palm branch and they circled the sanctuary waving the palm branches. This was the beginning of our Palm Sunday worship service.

Millie Bush was the liturgist and Susie Hargett led the singing. Susie also sang as a special the traditional song for Palm Sunday, "The Holy City". It was a beautiful rendition of a beautiful song.

My sermon was the traditional message of Palm Sunday centering on Jesus' triumphant entry into Jerusalem.

Next Sunday will be Easter Sunday and we will have four special songs as well as communion will be served.

Soup Supper is every Monday night and beginning April 11 we will have our Bread Basket Meal with grilled meats being served. Bread Basket meals begin at 12 noon on the second Wednesday of the month. Come and join us.

The Augusta Ministerial Food Bank is open each Tuesday at 1 p.m.

BROOKSVILLE CHRISTIAN
by John Elfers

What an awesome Sunday! God provided a beautiful, sunny day, and a very nice crowd came out for what could have been our very first indoor Easter Egg Hunt. Appreciation to everyone who came. Hope all the kids had a wonderful time!

In Sunday's service, Ron spoke of Nehemiah, a Jewish slave, who showed incredible faith by asking for his freedom (successfully), so he could rebuild Jerusalem, against all odds. Like Nehemiah, we must stay motivated to fight on, using the gifts of the Holy Spirit.

Hope to see everyone bright and early Easter morning for "SonRise Service", followed by a delicious breakfast. Please join us for some great fellowship as we celebrate the resurrection of our Lord, Jesus Christ!

Easter Services at Augusta Christian

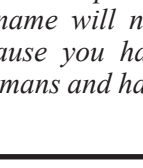
Thoughts and Meditations from the Scriptures

WRESTLING WITH GOD

Many, if not most, of the heroes of the Bible wrestled with God. Jacob literally wrestled with God (or an angel of God, depending on the translation) in the desert and was thereafter named "Israel." The name "Israel" in Hebrew means something akin to "he has struggled with God," suggesting God's willingness to struggle with his people. The story of Abraham depicts someone who must have had an internal struggle with God, for God tested him by asking him to sacrifice his only son Isaac. (Genesis 22) One can only imagine the struggle that Abraham had with God over this, and one has to wonder how this request, despite God relenting at the last moment, came to color Abraham's subsequent relationship with God. Moses argued repeatedly with God and their relationship was contentious at best. In the fourteenth chapter of Numbers Moses seems to actually get God to change his mind about destroying his people. And finally, consider Jesus's struggle in the garden of Gethsemane. He is clearly wrestling with Himself about his imminent trial, suffering and death. Perhaps this is the most relevant to our own struggles with God, for in the end, we are struggling with the God within us. Our conscience is the voice of God telling us what we should do, but our contentious ego has trouble being obedient. It's alright to struggle with God, but at some point all must submit to His overwhelming power and goodness. – *Christopher Simon*

"Your name will no longer be Jacob, but Israel, because you have struggled with God and with humans and have overcome." - Genesis 32:28 NIV

Chatham Christian Church Church Mouse (S.B.Y.)



With snow of around 3 inches on this Sun., Mar. 25, we appreciated the sidewalks being cleaned at church.

This coming Sun., Apr. 1 we will be having our Sonrise Service at 7 a.m. Following our service, we will have a delicious breakfast. All are welcome. Beginning at 9 a.m., we will have our SS and worship service and Easter Cantata and play under the direction of Darrin Young. Our program is "Redeemed By The Blood Of The Lamb".

Short Snap is celebrating a birthday. This little lady is always on the go and loves to travel with her family.

Ron Foley brought the SS lesson on "The Power of Demonstration". 2nd Timothy 3:10-17. As others have demonstrated God's truth to us, may we in turn show it to others.

We were so glad to have beautiful Annabell Smith with us today. She is the few weeks old daughter of Dan & Lisa Smith. She is welcomed home by her brothers Jasper and Hayden.

Hope Florer was the organist and Jane Nelson's specials were "Swing Low Sweet Chariot" and "Jesus Is The Waymaker".

Bro. Jackie's message was "Jesus On The Cross". Luke 23:32-49. Jesus took our sins to the Cross because of His love for us.

Remember in prayer: Bobby Cummins (hospital), Ron Foley, Steve Fields (kidney surgery this month), Bobbi Hargett, Edith Ulrich, Delores Perkins, Kathy Williams, John Henderson, Shirley Young (sees gastroenterologist in April for test). As always remember all on the prayer list and always each other.

Trash Talk

by: Mr. Recycle Bin & Ms. Pick-Up Litterbug

Howdy Folks! Winter does not want to go away without a fight as the State and County Road Departments can attest to after the snow event of this past Saturday! Their hard work assured that the roads would be clear for Sunday morning church services as well as the other Sunday morning activities or demands! This week's predictions are for rain Tuesday through Friday but the weekend is looking dry with near normal temperatures so the Easter Bunny will be able to move faster without worrying with rain gear! Like the daffodils, we have survived the cold and snow and look forward to a beautiful Easter weekend for everyone!

Last week's e-mails regarded water and this week's information from Frankfort continued in the same flow! We've touched on the subject of rain barrels in the past and conservationists and environmentalists continue to urge folks to use these water saving devices that collect and store rain run-off from roofs. It is estimated that up to one-half of household water usage during summer months goes to watering lawns, flowers and vegetable gardens. By using rain barrels, up to 1,300 gallons of "free" water become available for these summer activities thus saving homeowners the cost of using "bought" water from public water service! Rain barrels can range in size from 30 to 100 gallons, can be plastic or wooden, and they can be purchased or made by upcycling from any large container!

Rain barrels are really important in densely populated urban areas where the hard concrete and asphalt surfaces of a city block can create five times more run-off than a wooded area of the same size. This run-off leads to increased flooding and decreased water amounts that normally soak into the soil to replenish the water table. If anyone is interested in making their own rain barrel, Shannon Smith, Family and Consumer Science Agent whose office is located in the Bracken Co. Extension Building, can provide you with instructions. The number to call is 735-2141 to speak with Ms. Shannon and to obtain more information for creating your own rain barrel!

While the next subject to discuss is not liquid, it involves liquids and the transfer of that liquid drink from the container to your mouth! We are speaking of the common, practically unnoticed, plastic drinking straw! These innovative devices used for 7,000 years and made of various materials are coming under fire lately because of the damage they do to the environment and because of the natural resource used to create them. In the U.S. alone, it is estimated that 500 million straws are used every single day and if connected, they would measure the circumference of the earth two and one-half times! Remember, that's just in the U.S. and the majority of them don't get recycled. Consumers are asked to take notice of this situation and if they don't need a straw, then don't take one and restaurants are asked to only give a straw to customers who request one. Most straws today are made from a petroleum based plastic called polypropylene. This means that the straws represent yet another product that requires fossil fuel extraction. One small step toward an environmentally secure future is to forego the use of plastic straws when possible! We pray that each of you are blessed abundantly this Easter Sunday morning as we celebrate the glorious resurrection of our Savior and that as you gather with family and friends you use the good habits of RECYCLING, REUSING and REDUCING to keep God's earth clean, green and beautiful! Be seein' you – *Bin & Bug.*

I, Cindy Bravard Berry would appreciate your vote on Tuesday, May 22, 2018. I am Bracken born and raised! My parents are the late Johnny and Virginia Bravard. I have two children Billy Berry and Cindy Berry. I am a proud Momaw of my grandson Brady Berry. I reside on my family farm along with three of my siblings John Bravard, Mike Bravard, and Linda Mineer. I am a graduate of Bracken County High School proud class of 1982. I graduated from NKU in 1991 with a bachelors degree of science, with a major in accounting and a minor in finance.

Over the years I have been lucky enough to have had jobs working in Bracken County such as: reading gas and water meters for the city of Brooksville, I currently take care of accounting for various local businesses, and I am currently employed by the Bracken County Board of Education for the last 19 years as a Computer Lab Technician at Taylor Elementary School. There I enjoy working with the staff, students, and interacting with parents.

I'm looking forward to starting a new chapter by running for Circuit Clerk. Over the following days/months I look forward to making my way around to meet many residents of our great county.

VOLUNTEERS ADVOCATING FOR CHILDREN

Who are CASA Volunteers?

CASA Volunteers are **EVERYDAY PEOPLE** who care about children! A volunteer must be at least 21 years of age, pass a criminal background check and have a high school diploma and/or GED. Volunteers of the CASA Program for **Bracken, Fleming, and Mason Counties**, Inc. are compassionate, objective, self-motivated individuals from our community who are trained to speak on behalf of abused and neglected children. They come from all walks of life and a variety of professional, educational and ethnic backgrounds. Many volunteers work full-time, but others work part-time, stay at home or are retired. All are passionate and committed to helping abused and neglected children.

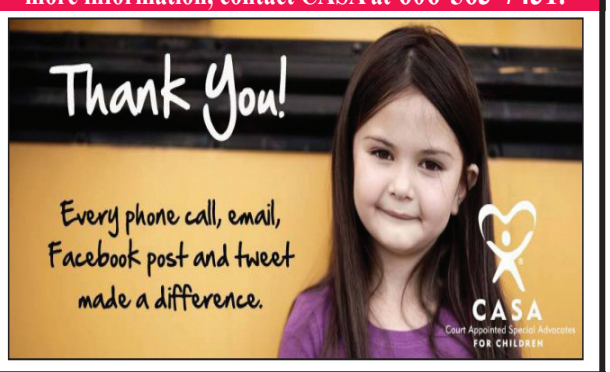
What are the roles of a CASA Volunteer?

Volunteers are officers of the court. They serve as an extra pair of "eyes and ears" for the District Judge in child abuse and neglect cases. CASAs meet with the child on their case and independently gather information from others who are involved in that child's life. This includes researching each child's situation and making objective recommendations. CASA volunteers are frequently the one constant person in the child's life as they navigate the foster care system. The volunteer's sole objective is to represent the best interests of the child.

CASA'S Mission...

Our mission is to provide trained community volunteers to speak for children in court who are victims of dependency, neglect and/or abuse. We help children find a safe, permanent and loving home as soon as possible.

A new volunteer training class will start Monday, April 2nd at the Bracken County Judicial Center. The training is free and refreshments are served.For more information, contact CASA at 606-563-7431.



CASA protects our most vulnerable citizens, please consider being a powerful VOICE in a Child's Life.

BCHS holds Penny Wars to benefit Augusta VFW Post 9535

Members of Ms. Lila Brindley's 4th period class are shown with local VFW members Dick Behymer, Steve Welte, Bobby Pickrell, Tim Sweeney, Tommy Pickrell, Herb Rumford, and Charlie Schweitzer, presenting a check in the amount of $1,325.80.

During the week of March 5th-9th, Bracken County High School held a Penny War to raise money for the Augusta Mains-Quinlin VFW Post 9535. A jar was placed in each student's 4th period classroom and throughout the week, pennies, dimes, nickels, quarters, and dollar bills were placed in the jar. At the end of the week, the money jars were counted. Every penny was a positive total to the jar, while silver coins and dollars were a negative to the jar. At the end of the week, $1,325.80 had been collected and Ms. Lila Brindley's 4th period class was deemed the winner. Currently the Bracken County School System has donated over $4,000 to the VFW to help with repairs and general operations at the post.

Bracken County is very proud of its veterans and the many sacrifices they and their families have made throughout the years. This is very apparent this school year by the generous donations received from the students and their families.
